Neurosurgical Practice Accepts New Associate

GRAND RAPIDS, Mich—Great Lakes Neurosurgical Associates (GLNA) has announced Dr. Todd Vogel, MD has joined the practice as their newest associate. Dr. Vogel is a fellowship-trained neurosurgeon, specializing in cervical anthroplasty, deformity spinal intervention, osteoporosis, spinal oncology and traumatic spinal cord injuries. He is board eligible in neurosurgery by the American Board of Neurological Surgery.

Dr. Vogel is a graduate of Indiana University School of Medicine, where he completed his residency, then went on to complete his complex and minimally invasive spine fellowship at University of California, San Francisco. In addition to practicing at GLNA, Dr. Vogel will be instructing at the Michigan State University College of Human Medicine as an adjunct professor. Dr. Vogel is married and enjoys sports and other outdoor activities.

Dr. Vogel is a member of several local and regional medical societies, including the Michigan State Medical Society, Kent County Medical Society and Michigan Association of Neurological Surgeons.

#####

Great Lakes Neurosurgical has served the West Michigan community with care for a broad range of neurological conditions for over 40 years. GLNA is among the nation's top neurosurgical practices.
